- Plot Area 494m<sup>2</sup>
- A/C
- Parking Space
- Customizable layout & finishes
- High-quality timber frame → The main structure of the building is made with strong, durable timber (wood) instead of concrete or steel. It usually means good insulation, faster construction, and eco-friendliness
- German-standard build → Suggests the property was built following German engineering and construction standards, which are known for being precise, energy-efficient, and durable. It's a way to highlight reliability and premium quality.
- Energy Efficiency "A"
