2 Bed apartments in Nicosia near to Frederick University

€175,000

Kaimakli, Nicosia

2 Bedrooms

2 Bathrooms

75 m² Covered

Description

The project is being built in a quiet privileged area in Nicosia Municipality near Frederick University. The location of the project offers easy access to the city center as well as to the shops and amenities of the surrounding area (e.g. supermarkets, petrol station, gym, Frederick University, schools, shops, public transport and recreational areas).

The building consists of 16 apartments on four floors. Each floor consists of 4 apartments, one of 2 bedrooms and three of 1 bedrooms. All apartments include covered parking and storage.

What distinguishes this particular project is the functional and ergonomic design of the spaces, the high quality of construction, the energy efficiency of the building (category A+) and the high quality materials.

These apartments are considered ideal for owners who want easy access to the center of Nicosia and at the same time to be in

Covered veranda	17.5 m ²
