Residential Plot in Agios Athanasios

€490,000

Agios Athanasios, Limassol

651 m² Area

Description

This residential plot in Agios Athanasios, offers an incredible opportunity. Spanning 651 sqm, this plot comes with a generous building density of 90% and a coverage factor of 50%, providing ample space to construct a spacious and comfortable living space. With permission to build up to 3 floors and a height limit of 13.5 meters, you have the flexibility to create the home or investment property you desire. The plot is situated in a prime location in Agios Athanasios, one of Limassol's most desirable neighborhoods. Its convenient location offers easy access to local amenities, schools, and transportation, making it an excellent investment opportunity for developers and investors looking to build residential properties to sell or rent.
